

Bundle of Rights

Right of access:
the right to enter an area and enjoy non-subtractive use (e.g. recreation)

Right of withdrawal:
the right to use resources and extract products (also known as usufruct rights)

Right of management:
the right to regulate internal use patterns and transform the resource by making improvements

Right of exclusion:
the right to determine who will have access and withdrawal rights

Right of alienation:
the right to sell, or lease management or exclusion rights
